

To whom it may concern,

I am happy to be writing this letter of recommendation on behalf of Noggins Corner Farm Market. Located in Greenwich, Nova Scotia, Noggins Corner Farm Market is one of the oldest farms along the banks of the Cornwallis River and is still serving its community with delicious seasonal produce today.

Noggins Corner Farm Market has an extensive history of producing quality foods. It offers the finest selection of locally grown fruits and vegetables and is famous for its crisp apples and sweet corn. Over the years, it has expanded tremendously and now offers fresh and convenient grocery options, such as homemade jams, breads, local honey and more.

Noggins Corner Farm Market was family founded and continues to be a place that embodies that spirit of hospitality established in the founding days. Its team at the farm locations all utilize the best agricultural practices and technology, and they go above and beyond to provide exceptional customer service!

I recommend Noggins Corner Farm Market because it is a local and community driven farmers market that provides the freshest agriculture without compromising its spirit of good customer service. With several farm locations around the community, it is easier than ever to get a taste of why Noggins Corner Farm Market has been in business all these years.

Sincerely,
