

To whom it may concern,

I am more than happy to write this letter of recommendation on behalf of an exceptional company, CPI Industrial Company. Based in Mount Sterling, Ohio, CPI Industrial Company has been providing personalized flooring and lining solutions to customers in Ohio and across the United States since 1989.

With years of experience, CPI Industrial Company's ensures that each new coating or lining will meet the unique conditions of its client's facilities, environment, operations, and existing flooring. It goes above and beyond to ensure that every step adheres to their clients' safety, environmental, and scheduling requirements.

When the team at CPI Industrial Company steps onto your floor, you'll quickly notice what sets them apart from the competition. It is backed by a skilled and dedicated staff, who bring a wealth of expertise and reliable experience to the job. The project managers and installers consistently go above and beyond, delivering exceptional results with precision and care. Their commitment to achieving the perfect adhesion for your flooring is truly unmatched in the industry.

With the capacity to meet each client's needs and a team of experienced professionals, CPI Industrial Company deserves the title of a leading provider of lining and flooring solutions. I have the utmost confidence in recommending CPI Industrial Company to any company seeking new flooring installations.

Sincerely,

John O'Connell
