

To whom it may concern,

I am more than happy to write this letter of recommendation on behalf of NeoInsulation. Headquartered in Kingfisher, Oklahoma, NeoInsulation provides revolutionary, state of the art protective solutions for the oil, gas and industrial industries through its patented insulation applications. It operates field offices in four states and has a service line reaching from Texas to Canada.

Founded in 2013, NeoInsulation offers cutting-edge insulation solutions across a wide array of industries, including the oil and gas, industrial, commercial, food processing, and HVAC sectors. Its innovative solutions are known for durability and quick installation times, setting a new standard for performance in demanding environments.

NeoInsulation's success can be attributed to its dedicated team of professionals that stand behind it. They work closely with clients to ensure a smooth process from start to finish and place a strong emphasis on communication and integrity. They go above and beyond to respond to service requests within 24 hours and completing installations far faster than its competitors.

I highly recommend NeoInsulation to anyone looking for an insulation provider they can rely on. With exceptional service and a great team, NeoInsulation remains committed to providing sustainable, safe, and efficient solutions for every project it undertakes.

Sincerely,

Gary Crisp
