To Whom It May Concern:

We had an amazing experience with Yousuf and Saif at Tutor Doctor. We first contacted the owner, Yousuf, who separates himself from other tutoring providers by taking the necessary time during the assessment phase to determine the specific needs of the student.

Yousuf tailored a custom program for our son that met his needs by pairing him with a tutor that Yousuf personally hand picked. Saif is our son's tutor and we've seen great results and improvement in our son's studies. Saif is very patient and uses creative ideas to keep our son engaged during each tutoring session. We highly recommend both Yousuf and Saif to anyone looking for help with their child's learning journey.
