

To whom it may concern:

I am more than happy to write this letter of recommendation on behalf of a great local business, Lollie & Co. Located in Erie, Pennsylvania, Lollie & Co offers ageless, effortless, classic fashion that allows you to embrace the uniqueness of who you are.

Lollie & Co started as a retail shopping experience designed to encourage women to dress for their lifestyle with an emphasis on casual elegance. Its has since expanded to include Peter James by Lollie, a men's store focused on casual comfort for the modern and practical man.

At Lollie & Co. it is truly the team standing behind it that make all the difference. Not only is each one well trained and knowledgeable, but they genuine care about their clients. They take the time to listen to their clients and get to know them, always striving to create an environment of inclusion that promotes positivity in fashion and friendship.

I highly recommend Lollie & Co to anyone looking for the perfect piece of clothing for any occasion. With an amazing selection of quality products, prices that won't break the bank, and dedicated staff, you are sure to have a pleasant experience and find exactly what you're looking for.

Sincerely,
