

To whom it may concern,

I am writing this letter of recommendation on behalf of Rad Air Complete Car Care, locally owned and family operated in the Greater Cleveland-Akron area since 1975. The staff at all ten of its locations are highly trained specialists in automotive repair services.

Every Rad Air location specializes in comprehensive car maintenance and professional automotive repairs. From preventative care services, tire checks, and wheel alignments to any urgent care repairs that come up, the dedicated technicians at Rad Air provide only the best results for its clients.

The detail-oriented technicians behind the scenes have helped Rad Air gain a trusted reputation among the community. Each one is comprehensively certified, well-trained and highly qualified to service your vehicle and get you back on the road safely. The entire staff is also a pleasure to interact with, always taking the time to explain the details and answer any questions you may have.

I highly recommend Rad Air Complete Car Care to anyone looking for exceptional automotive services. With its professional staff and highly skilled technicians, you can count on Rad Air Complete Car Care to consistently deliver quality maintenance and repair solutions for vehicles of all types.

Sincerely,

Fred Carter
