

To whom it may concern,

I am proud to write this letter of recommendation on behalf of Wilson's Transportation Ltd. For over sixty years, Wilson's Transportation Ltd has been Vancouver Island's largest bus charter transportation company which provides exceptional service in moving groups, large and small, safely and on time.

Wilson's Transportation is a reliable partner in transportation. Its fleet consists of over 140 vehicles, with different sizes and amenities among them. Whether they are chartered, or simply renting out one of their vehicles, Wilson's Transportation has the right vehicle to meet the needs of any group or event. Aside from their bus charters and rentals, they also run Gray Line Sightseeing Victoria, providing visitors great sightseeing and tour opportunities, and BC Ferries Connector, ensuring that passengers safely make it from Vancouver to Victoria.

At Wilson's Transportation Ltd, its not just vehicles that drive clients forward, its the exceptional team as well. Each team member is dedicated to professionalism, going above and beyond to ensure clients reach their destinations reliably and on time. Their accommodating nature and attention to detail make every journey a seamless experience. In addition to providing outstanding service and team, Wilson's Transportation Ltd is a proud supporter of the local community. Its ongoing involvement strengthens the community they serve, making them a true partner in local progress.

I would highly recommend Wilson's Transportation Ltd to anyone planning trips across Vancouver Island. Their reliable services, exceptional team, and deep commitment to the local community make them both a trusted partner and an exemplary member of the community. Whether for business or leisure, their dedication to ensuring a seamless experience sets them apart as a top choice for transportation needs.

Sincerely,

Eszter Farkas
