

To whom it may concern,

I would like to take a moment to write this letter of recommendation on behalf on DPF Xpress. Based in the Carolinas, DPF Xpress is a family-owned company that specializes in diesel particulate filter (DFP) restoration.

DPF Xpress offers a comprehensive range of services aimed at ensuring the optimal performance and longevity of diesel particulate filters. From professional cleaning and maintenance to advanced diagnostic testing and repair, it uses a meticulous 10-step process to ensure filters meet original OEM specifications. It also provides free delivery within select areas.

At DPF Xpress, it is truly the team that sets them apart from others in the industry. Whether servicing individual vehicles or entire fleets, they consistently demonstrate a customer-centric approach that prioritizes the needs and satisfaction of its clients. Their commitment to quality workmanship and customer satisfaction is evident in every interaction. They strive to stay on top of the latest advancements in DPF technology and maintenance practices, ensuring that clients receive the most effective and efficient solutions available.

I wholeheartedly endorse DPF Xpress for its outstanding services and the exceptional team that drives its success. With DPF Xpress, clients can trust that their DPF maintenance needs are in capable and experienced hands.

Sincerely,

Tim Fletcher
