

To whom it may concern,

It is an absolute pleasure to write this letter of recommendation for the City of Seguin, a vibrant community located just outside San Antonio. Founded in 1838 by the Texas Rangers and named in honor of Colonel Juan Seguin, the City of Seguin carries an illustrious history that resonates throughout the city.

Being one of the oldest cities in Texas, locals cherish its heritage while embracing the dynamic, forward-looking spirit that defines its residents. With a population of over 30,000 people, Seguin is a place all incomes, ages, and backgrounds call home, forging a sense of unity and belonging that is heartwarming.

The City of Seguin's economic backbone is rooted in manufacturing, with many industrial giants operating major manufacturing facilities within the city limits. This robust industrial sector not only fuels economic growth, but also provides over 4,000 jobs, which is more than three times the national average.

Living in the City of Seguin is an experience like no other. It offers an abundance of leisure options for everyone from families and couples to singles and retirees. The city boasts a vibrant performing arts scene, with opportunities to watch and participate in a variety of artistic settings, and the Seguin Events Complex draws visitors and residents alike with a truly an unforgettable experience filled with community spirit.

I highly recommend the City of Seguin to anyone seeking manufacturing opportunities, cultural enrichment, or a warm and welcoming community. The City of Seguin takes pride in its heritage while embracing the future with open arms.

Sincerely,
