

To whom it may concern:

I would like to take this opportunity to write a letter of recommendation on behalf of The Grounds Guys of League City, Pearland and Friendswood. Part of The Grounds Guys franchise, The Grounds Guys of League City, Pearland and Friendswood provides exceptional services for all your lawn and landscaping needs.

The Grounds Guys began with a single vision shared between 10 brothers and opened its doors as Sunshine Grounds Care in 1987. Today, it has grown into a nationwide company with more than 180 franchise locations across the United States and Canada.

Opened in 2013, The Grounds Guys of League City, Pearland and Friendswood is locally owned and operated by Travis Hicks and Travis Reed. It offers a myriad of services including regular maintenance, preventative services, hardscape and landscape design and installation, and much more. It also offers seasonal services and personalized plans to suit any need or budget.

What sets The Grounds Guys of League City, Pearland and Friendswood apart from others in the industry is the amazing team standing behind it. Each one is well trained, skilled, and knowledgeable in their distinctive fields. Not to mention, they are a true pleasure to interact with, always showing up on time and with a friendly attitude.

I highly recommend The Grounds Guys of League City, Pearland and Friendswood to anyone who wants to stop spending their valuable time maintaining their lawn or garden. With its great team, you can count on fast, friendly service from a responsible and dedicated crew.

Sincerely,
