

To whom it may concern,

It is with great please that I am writing this letter of recommendation for Eden Valley Poultry. Founded in 2012, Eden Valley Poultry Inc. processes and distributes poultry products to Nova Scotia and Prince Edward Island grocers and restaurants, with a commitment to food safety and quality products.

Eden Valley Poultry, located in the charming Annapolis Valley, Nova Scotia, employs over 430 people from their local community. They are committed to ethical operation, and community service, with an aim to be an employer of choice. Additionally, they contribute to the well-being of their community by minimizing environmental impact, supporting local fundraising campaigns, and sourcing products and services from local suppliers and providers.

One of the most commendable aspects of Eden Valley Poultry is its exceptional team. Each of them is highly skilled in their role, placing product and service quality as a core value shared across the company. At Eden Valley Poultry, they hold all employees and suppliers to high standards of care with respect to animal welfare and humane treatment of their chickens and turkeys.

In conclusion, if you're looking to source fresh, free range and sustainably sourced poultry products in the maritime region, I highly recommend Eden Valley Poultry. With them, you are not only receiving high quality poultry products, but you are supporting local communities and ethical practices, all at competitive rates.

Sincerely,
