

To whom it may concern,

I am more than happy to write this letter of recommendation today on behalf of a great business, The Culinary Create Group. Founded in 2010, The Culinary Create Group owns, operates, and develops restaurants across Denver, Colorado, Aspen, Colorado, and New Orleans, Louisiana.

The Culinary Creative Group has developed 13 restaurants, bars, and coffee shops. It also offers consulting services to assist restaurants with conceptual design, menu development, and financial and operational management. With a focus on local, seasonal ingredients, and innovative designs, The Culinary Creative Group has a reputation for creating memorable dining and socializing experiences.

At The Culinary Creative Group, it isn't just the food and locations that are exceptional, their team is as well. From cooks and service staff to upper management, each one is highly knowledgeable and passionate about what they do. They have also earned a number of awards and accolades in the restaurant and dining industry, leaving their restaurant's to be well known for high-quality hospitality and service.

I would confidently recommend any one of The Culinary Creative Group's restaurants, bars, or coffee shops to anyone looking for a bite to eat. The memorable dining experiences, coupled with a committed staff, makes them a leader in the restaurant industry
