

To whom it may concern,

It is with great enthusiasm that I write this letter of recommendation on behalf of Lee's Famous Recipe Chicken, and their locations in Dayton, Miamisburg, Brookville, Xenia, Englewood, and Franklin, Ohio. Lee's Famous Recipe Chicken is the premier destination for quality fried chicken.

For over 50 years, Lee's Famous Recipe Chicken has been serving mouth-watering fried chicken across the country. They exceed industry standards, offering a large menu of options, full-service catering, online ordering for pick up and delivery, and a valuable customer rewards program.

On top of their delicious food and service options, the team at each Lee's Famous Recipe Chicken location truly sets them apart. They provide fast and friendly service, whether you're ordering online or in-store, always ensuring orders are fresh and accurate.

I would wholeheartedly encourage anyone to try Lee's Famous Recipe Chicken. Their extensive menu, convenient services, and astounding team makes them the best choice for take out and catered dining.

Sincerely,
