To whom it may concern,

Speaking for the team at Magnolia Steel Erectors, LLC, we are grateful to Laura Fitts of Schooley Mitchell for the work her team did in analyzing our waste expenses.

Magnolia Steel Erectors prides itself on quality construction projects and customer satisfaction. Located in Tylertown, Mississippi, Magnolia Steel Erectors is ready to take on any commercial or residential build you may need.

Laura's team reviewed our invoices for billing errors, usage, and pricing structures to determine whether savings could be found. This resulted in savings of 23%.

Schooley Mitchell handled everything professionally and required very little time investment from us. Schooley Mitchell's team of analysts handled everything from negotiation to implementation. As promised, their post audit process has been transparent and accurate. We only pay based on the actual savings recovered!

In the future, we can be confident that we have Laura and Schooley Mitchell to continually monitor our expenses and understand our needs, all with our best interest in mind.

Sincerely,

Janette & Leonard Bossier
