

To Whom It May Concern,

I wanted to take a moment to express my appreciation for the incredible work you and your team at Schooley Mitchell are doing, particularly in the area of payment processing. Your commitment to providing exceptional business solutions is truly commendable, and it has made a significant impact on many local enterprises, including ours at Market Brewing Company.

As Newmarket's neighborhood brewery, we pride ourselves on being a community-focused establishment that offers not only craft beverages but also a vibrant event space and a unique taproom experience. Your expertise in optimizing our payment processing has helped us identify cost-saving opportunities. The insights you provided during our consultation were valuable, and I genuinely believe that your services have contributed to our bottom line.

Sincerely
